adr: Stranskyweg 4, 1140 Wien  
tel: +43 664 73540263  
email: [wolfgang.ehrendorfer@wepmc.at](mailto:wolfgang.ehrendorfer@wepmc.at)  
web: [www.wepmc.at](http://www.wepmc.at)

***„In order to achieve overall optimization I count on crystal clear plans, pragmatic implementation and measurable results of changes.“***

For more than twenty years Wolfgang Ehrendorfer holds executive positions in the IT/Telecoms domain. His related experience covers both sides – supplier industry as well as service providers. He is familiar with working in start-up enterprises as well as Austrian owner-managed SME companies and international corporations. He covered roles in line management as well as in project management with locally distributed teams. For the last 9 years he held general responsibility as a Senior Project Manager for international large scale projects in Australia, Taiwan, Saudi Arabia, Philippines and Germany.

Mr. Ehrendorfer received an academic education in Electrical Engineering / Control Engineering at the Technical University Vienna supplemented by sound seminars in Business Administration and People Management. In addition to his operational PM experience he passed a formal PM education by PMI and got certified as a PMP (Project Management Professional).
